

Special SC4HSHA Meeting June 18, 2020

Clubs in Attendance: BC Wranglers, Horse Sense, Jr Leaders, Trailblazers II, Rough Riders, Saddle Seekers

Clubs not in Attendance: Knight Riders, Elite Equestrians

Scholarship- Nandini V- Applications are still due July 1 but there is no project judging. Part of scholarship is to have project judging done for 3 years. Talked about the lack of project judging and how horse projects fall under STEM. Also talked about verifying 4H membership for county fair horse project. A project judging form needs to be submitted with scholarship application.

Horse Committee- Sam O.- Discussed setting up move in times; there will be a sign up genius sent out for move in times. We will hold off until closer because COVID policies keep changing. Also discussed how we will know if kids are actually Summit 4H members; Nandini V. sent Sam O. a list from Jackie K. & we are trying to find out if Jackie K. will send an updated list. Jackie K. stated via text with Amanda D. that Sam O. should send her a list of kids registered to verify membership after she has entries in.

Rotating Trophy- Peggy B. is still collecting trophies. Please let members know to bring them back. There will be no Ciriano award because the family has not donated money to it in the last two years. Sara J. asked if it was OK to get state stall signs; yes. Brought up that she had not yet been reimbursed from last meeting as well. Amanda D. will check with Cathy M. about getting Lynn S. on to sign checks.

Academics- Sara J.- we had a team qualify for nationals but we don't know what event. Hocking won all four eastern national events; we were second. We will know which team made it when the state tells us what event we're going in. Sara Benoit already is making arrangements with the hotel to get the same deal as last year; she has it booked for \$150/night per room and wants to do what was done last year to get the tax exempt discount. We will table until the next meeting.
