

Thank you all for entering the Summit County Dressage Show. We're going on our seventh year, and while there are fewer entries this year I personally want to thank everyone- competitors, parents, judges, and volunteers- for continuing to attend this benefit show for 4H.

Please enter from North Ave (State Route 91), Gate B (the farthest back). Park in the grassy area immediately to the left. It is behind the barn where all stabling is.

The \$15 grounds/office fee covers the cost of your stall. Please use a stall- there are enough for everyone. Stalls are not assigned, but please use the ones in the middle aisle. We also ask you to pick up around your trailers, aisle ways, and wash rack.

New in 2019- If you clean the stall you use you can receive your \$10 stall fee as a refund! Please find Mike Ziemer, the designated stall checker, to show him that your stall is clean and get your refund.

The weather forecast is calling for rain. We follow SC4HSHA's rule about lighting and bad storms- break for 30 minutes following the last lightning strike. We apologize in advance if this happens.

Most entries were complete. If there was a problem with the entry, it is noted in red by your name. Please go to the show office to check in and complete your fees.

Good luck and good riding!
-Sara
